

# MULTIMMERSION

A UNIQUE WAY TO BUILD ON RESULTS

**STATION IX**  
MULTIMMERSIVE EXPERIENCE™

DESIGNED FOR REAL ESTATE

Let your clients sit back, relax & build their dream home in this unique, collaborative showroom suite

# MULTIMMERSSION

THE NEW WAY TO EXPLORE, SHOWCASE & SELL PROPERTIES

## EXPLORE & SELL

- Showcase your project in a true-to-life environment
- Create a comfortable, headset-free multimmersive experience for your customers
- Gather up to 15 people in a unique, teleporting experience
- Collaborate with your customers and involve them in every step of the process
- Accelerate the decision-making process and sell properties faster

## COMMUNICATE & MANAGE

- Manage and review your BIM workflows
- Visualize 3D content through unmatched richness and depth of detail
- Facilitate design reviews and decision-making
- Maximize engagement and teamwork
- Gain time and money
